Spring & Summer Events

We made eight visits between April 27 and September 20! We hosted a foster family event, two elementary schools, our first miniature horse show, a family fun day, a private party, the local humane society event, and a steeple chase. At home we hosted an art class, had several visitors and trained throughout the summer. One day we loaded up several minis and took them to EZ Stable to practice in the ring. We have seen a tremendous improvement with the horses and have received lots of compliments on their great personalities.

Prissy

Prissy broke her jaw this summer. Surgery is scheduled for October. Many thanks to **Dr. Chris Robertson** for his ongoing veterinary services. We are looking for volunteers to help with Prissy's care and would love to have a permanent sponsor for her.

Special thanks to our farrier,
Mr. Terry Corbin.
