Supreme Shaman “Sam”

Sam is a stallion so we have to keep him in the lakeside pasture away from the mares. Consequently, many of our visitors don't get to see him. He's such a great horse in both beauty and personality. He is truly a model miniature horse.

What's New?

Piedmont Horse Expo – We will be attending the Expo this year but will not have a booth of our own. We will participate with the Virginia Miniature Horse Club. This year we will have demonstrations!

Girl Scouts Skyline Council – We are offering farm visits to the girl scout troops this year. The girls may participate in half-day or full day visits as part of their equine learning programs.

4-H - Are you interested in forming a 4-H Miniature Horse Club? We are looking for children and teenagers ages 7-17 and parents to help us put this together. We will present our program to 4-H as soon as we have 5 youth & at least 2 parents committed.

Cavallini di Amore

A program of love and kindness through the unique experience of miniature horses.

Our mission is to help stop the cycle of child abuse and neglect, and prevent cruelty to animals. We provide children an opportunity to learn, play, care for, and love a miniature horse. We also provide foster, retirement, and adoption services for miniature horses.
